Principal's Message

Hello students and parents/caregivers,

Although the Covid-19 Pandemic is keeping us apart, we can stay connected with School Spirit Days and Kindness Challenges. You will find a list of both in this month's newsletter. You may post photos of you completing the Kindness Challenges or School Spirit Days on your Class Dojo or the School Facebook page!

Thank you to parents and caregivers who are working hard to help our students with the Continuity of Learning. Please know that we are here to help. If you are having difficulty with any of the learning materials or have challenges accessing technology, please call the school at 250-992-6821 or email your child's teacher.

I am also aware that sometimes remote learning is overwhelming. Do what you can and make it manageable. If you can't get something done, it is okay. We appreciate you and all you are doing for your family.

I miss you all and hope you and your families are safe!

Take care,

Mrs. Gauthier

Work Package Pick-Up

We will have a pick-up of work packages for students on Monday, May 4 and Tuesday, May 18 from 12-2 p.m. Please note that not all teachers will have work packages to be picked up. Many students are receiving their learning plans through email or Google Classroom. Your child's teacher will inform you if you have to pick up resources. If you are unable to make it on these dates or times, you may call us to make alternate arrangements.

Carson Weekly Kindness Challenges

April 27 – May 1 **Chalk Challenge and Garbage Challenge:** Write positive messages on the sidewalk for walkers in your neighbourhood. Pick up garbage around your yard, neighbourhood or street.

May 4 - 8 **Caring for Mom:** Mother's Day is this Sunday, May 10! Make a Mother's day card and/or gift for your mom, grandmother, aunty, or caregiver. Plan to make Sunday a special day for that special person!

May 11 - 15 **Family Fun:** We would usually be planning for a weekend camping trip away, so plan for some fun at home before the long weekend. Build a fort inside, put up a tent in the yard, (weather permitting) and enjoy time with family.

May 18 – 22 **Kindness Rocks:** Paint a kindness rock and place it in your garden. If you can paint two, bring one to our school garden!

May 25 – 29 **Kind Cards:** Mail a letter, card or picture to someone who you can't visit right now: your grandparents, aunty, uncle, friend, or teacher.

June 1 – 5 **Heart Attack:** Cut out a paper heart for everyone in your family. Write a kind message about why you care about them. Tape it to their bedroom door.

June 8 – 12 **Fun for Dad:** Father's Day is Sunday, June 21. Make a Father's Day card for your dad, grandfather, uncle, or caregiver. Plan to make Sunday a special day for that special person!

June 15 – 19 **Heart Attack:** Cut out a paper heart. Write a kind message to your teacher. Tape it on the outside window of your classroom. Hearts can be made for other teachers and staff members as well!

June 22 – 25 **Gratitude – Thank You Cards:** Write a thank you card to the person who has been helping you with your learning at home. Write a thank you card to your teacher at school as well, and drop it off in the mail slot.
